HOTEL OVERVIEW

Let us brew a first impression that awakens all the senses.

It is tradition to offer coffee when a guest enters an Oman home. So it is at Al Bustan Palace, one of the most elegant resorts in Muscat, Oman, where the act of welcome and friendship is performed by the “coffee man,” the cultural host of our Oman beach resort. His craft spans spice

stalls and centuries to immerse guests in new experiences and the local way of life. [^ BACK TO TOP](#)

It is a story that unfolds throughout every guest's stay, the blending of the old and the new, the local and the worldly, the opportunity to engage in a new experience, or simply give in to complete relaxation. Arab and art deco influences infuse the luxury Oman resort with an elegant ambiance, most notably in its majestic 38-metre-high domed atrium lobby. A sandy, white beach keeps guests busy with a wealth of waterfront activities, or content to do nothing at all. Dining options include both regional and international flavours, making each guest's journey as much about the experience as it is about the destination.

In addition to the breathtaking views of well-manicured gardens, the Sea of Oman and the Al Hajar Mountains, our Muscat resort features:

- 198 guest rooms and 52 luxurious suites
- Authentic and unique dining experiences
- Expansive 1 kilometre private beach, the longest in the country
- Five outdoor swimming pools, including a 50-metre-long infinity pool
- Beautifully appointed meeting space
